Spend a relaxing evening on the deck and enjoy the stunning views of the surrounding countryside. Sip your morning coffee or tea on the window seat and watch the birds feed at the bird feeders hung outside, you might see wild turkeys or deer passing by. You can have all of this and more from this 3-bedroom 2-bathroom 1,483+/-sq. ft. home, located on a cul-de-sac street, within the lake community of Heritage Ranch. The home features wood laminate flooring, and an oversized single car garage. This is a great neighborhood for those who love the outdoors. Hiking trails, horse back riding trails, parks, pools and, of course, access to Lake Nacimiento. The nearby park features a baseball field; merry go round and even local events like occasional concerts, and much more!
